

Support each other, to grow together.

***We aims at creating a new tomorrow where men are endowed with education and sophistication. They are empowered by the educated society and brilliance of mind. Where people are able to accommodate themselves with the society and will their own selves. We are therefore making constant efforts with a purpose to bring the changes and success in the field of education and research. Now what we wish is that you come ahead and join hands together with us to give us support and mettle so that we may meet our goals thereby keep on doing our best efforts for the success and changes. We expect your minimum contribution rupees 20 Ru./- only and the maximum up to your wish. You can submit your contribution either by going to the link given below or deposit directly to the given account number. Our next goal is to help the needy, disabled and the poor by giving them the innovative education from primary to the higher level. Your small contribution is surely the big boost to bring the golden tomorrow. We request you to step forward and help us so that we materialis our aims and objectives.***
